IV.	Review & Discuss: RTIPR Project Prioritization	Robert Kuipers, NWRTPO
BACKGROUND		
<ul style="list-style-type: none"> • Why? For some sections of our RTIPR members prefer to prioritize projects for funding – this typically happens for Roadway, Safety, and Transportation Project Fund. For TPF projects, we typically simply cite each #1 project for each member govt.; for Roadway and Safety, we sometime prioritize from #1 on down. • Purpose. Help members decide and prepare for any sections of the RTIPR in which to prioritize. • Discussion/Finalization. Members to prioritize at October meeting. 		
CURRENT WORK		
<ul style="list-style-type: none"> • Members will discuss and decide on which RTIPR sections they wish to prioritize. 		
ANTICIPATED WORK		
<ul style="list-style-type: none"> • Prioritize RTIPR sections at our October 11 meeting. In our previous RTIPR we only prioritized Roadway projects. For Transportation Project Fund we cited each member government’s #1 priority project on top, and all other TPF projects were cited below without prioritization.

ACTION ITEM		
<ul style="list-style-type: none"> • Will take any action as appropriate today 		

Discussion:

- We are still waiting to hear from Cibola County, and City of Grants for their #1 Roadway and TPF projects.
- Navajo projects won’t cite #1 Roadway and TPF projects, because the projects belong to Chapter governments.

V.	Present: 2023 RTPO Member Survey	Robert Kuipers, NWRTPO

BACKGROUND		
<ul style="list-style-type: none"> • Why? At the end of every RTPO Fiscal Year, the NWRTPO provides a survey to our members so they can provide feedback on: training, local leader orientations, rating RTPO services, past and future meeting presentations of interest, ideas to improve RTPO service, ideas to bring in resources, ideas and recommendations for our primary goals, and additional recommendations. • Purpose. To gather this information (above) from our members for the past year. • Discussion/Finalization. Survey distributed at this meeting for members to complete if possible by next meeting. 		

CURRENT WORK		
<ul style="list-style-type: none"> • Members are asked to complete this survey and submit to RTPO staff by / before next month’s meeting. Understanding that not all of our members are able to pull this off within a month, we will see who has already submitted, and give the rest of our members another month. 		

ANTICIPATED WORK

Discussion:

- Robert Kuipers indicated that most of our members have submitted their PPFs, although we are still waiting on Project Prospectus Forms from Cibola County and City of Grants. Robert continues to work with Laguna as Leonard Ludi no longer represents the Pueblo to the RTPO; and is following up with Margie Begay for Navajo Chapter project PPF's. Representatives for the Pueblo of Laguna are now Anne Oandasan, and Star Cheremiah.
- Mr. Kuipers requests that RTPO members try to submit their #1 Roadway and TPF projects, most members have already submitted – just waiting on Cibola County and City of Grants.
- Pueblo of Laguna has just one priority for both Roadway and TPF – which is their I-40 / L-24 Bridge and Bike & Pedestrian Improvements.
