IV.	Action: Project Feasibility Forms due – April 14	Robert Kuipers, NWRTPO
BACKGROUND		
<ul style="list-style-type: none"> • Why? Every two years now COG admin. requires RTPO staff to completely clear the RTIPR and have RTPO members submit new projects, and resubmit projects already cited in the previous RTIPR. • Purpose. This is to keep projects up to date, based on local government priorities. • Discussion/Finalization. 		
CURRENT WORK		
<ul style="list-style-type: none"> • Members to submit new and previous projects PFFs for each section of the RTIPR by April 14. 		
ANTICIPATED WORK		
<ul style="list-style-type: none"> • Members to submit new and previous projects into RTIPR sections for forthcoming funding opportunities. If necessary, the COG / NWRTPO can extend submission deadlines.

Discussion:

- Robert Kuipers **reminded that PFF’s are due this Friday (!)** and so far we only have PFF’s in from McKinley County. Most of our members are working on getting PFF’s in by this deadline. The main concern for RTPO staff is the Navajo Nation, as right now Margie Begay is their only representative, and in her high level position, she may not be able to meet this deadline. COG RTPO staff may have to work something out with NDOT to get their PFF’s in on an extension!
- The meeting package included the regular PFF, and the Transportation Project Fund PFF.

V.	Present: Transportation Project Fund Progress	Robert Kuipers
BACKGROUND		
<ul style="list-style-type: none"> • Why? Project feasibility forms are due by April 14 – including TPF projects; and full TPF application packages are due May 31. • Purpose. Our RTPO members have done exceptionally well with the NM TPF fund in the past, and we hope to continue this opportunity which almost doubles the projects we can complete in each biennial RTIPR season – generally averaging between \$15 & 20 million. • Discussion/Finalization. 		
CURRENT WORK

Discussion:

- Robert (Bob) Kuipers covered the Transportation Project Fund for 2024 – **full applications are due May 31, 2023**. Bob covered what is required for a complete application package, and requested that RTPO members get their **full applications** to him (including resolutions) **by May 23**, so he can upload them to the NMDOT FTP website.
- Tribal entities can use their TTP funds for the 5% match, or request a hardship waiver.
- Our region has always done well in the past with this funding source from the State

VI.	Present: Vulnerable Road Users Summary Report	Robert Kuipers
BACKGROUND		
<ul style="list-style-type: none"> • Why? It remains important to provide equal access including transportation for handicapped and elderly citizens, and RTPO’s and DOT’s can contribute and support developing infrastructure and services to accommodate these citizens. • Purpose. Raise RTPO members awareness and commitment to citizens who need assistance to access products and services. • Discussion/Finalization. Present summary information, and additional information for RTPO members to review and familiarize, in order to better serve our elderly and handicapped citizens.

Discussion:

- Mr. Kuipers provided extensive guidance in this meeting package for Vulnerable Road Users funding; Neala Krueger also complimented the presentation by citing additional qualifying candidates for this funding – beyond just elderly and handicapped.
- Applications are encouraged to provide data driven safety analysis.
- States are required nationally to complete a VRU safety assessment by Nov. 15, 2023.
- This includes identifying high risk areas for safety for vulnerable citizens including location, functional classification, design speed, and high risk time of day.
- States are required and local governments are encouraged to ID high incidence areas for traffic injuries and deaths, and develop strategies to mitigate high risk locations.
- Recommend separating bike and pedestrian lanes from traffic lanes, and create pedestrian safety islands at street crossings.
- Encourage reviewing “Complete Streets Design” for safety improvements.
- A list of potential funding sources is provided in attached guidance.
- Staff included a copy of the full VRU guidance document (19 pages)

New news in bold

Pueblo of Acoma

- **Gaylord Siow is now the Pueblo of Laguna Lt. Governor, so has resigned from his position in the Pueblo of Acoma. Dennis Felipe Jr. is now the primary RTPO representative for the Pueblo of Acoma; they are still looking for an alternate representative to the NWRTPO.**
- **The Mesa Hill Bridge project remains unfunded and ongoing as the #1 bridge project, but is fully designed and construction ready with support from NMDOT. The issue is just obtaining significant funding (around \$30 million) from USDOT with every round of major funding they provide.** The Pueblo’s PS&E and EA are complete; The Pueblo is working toward finalizing the cultural clearances and right of way with the BIA and finalizing land status with Tribal leadership. **Pueblo is working on the SP36 and SP30 connector roads to this bridge, along with a right of way map for the bridge. Pueblo is pursuing funding from the Bipartisan Infrastructure Law and other funding sources to include FHWA and TTP Bridge Program funds. The Pueblo will utilize on-call engineering services to complete planning and design phases in order to move toward construction.**
- **SP30 – Pueblo Road LGRF Cooperative Agreement and Tribal Resolution have been signed by Pueblo leadership and sent to Bill Santiago at DOT District 6. Pueblo is seeking additional funding due to inflation; this project is in progress for design and reconstruction. Project is now complete and in close out**
- **SP38 Haaku Road Planning & Design: Project consists of a 12.3 mile corridor to Acoma’s original village. Project is funded at \$2,900,000 for planning and design from the FY2023 Transportation Project Fund. The TPF cooperative agreement is finalized. Acoma will contact Clayton Garner at DOT Dist. 6 upon consultation selection for fund disbursement. Pueblo is ready to award a consultant.**
- **M-123 San Fidel Creek bridge: This bridge on SP34 – Fatima Hill Road has been funded at \$137,049 for design thru FHWA Tribal Transportation Bridge Program funding. Approved to move forward**
- **M-124 Acomita Lake bridge on SP34 – Fatima Hill Road: Project is funded at \$380,000 for design thru FHWA TTP Bridge Program funding and now approved to move forward. NM 124 extension to NM117 is on hold – funded for design thru Trans. Project Fund.**
- Tribal Admin. met with the Federal Highway Administration along with Ron Shutiva, providing information on TTP and FHWA; a powerpoint on challenges and opportunities with CMGC (*Construction Management / General Contractor*) funding, and discussion on ICIP training.
- **Acoma’s Tribal Transportation Improvement Program (TTIP): FY2022 finalized.**
- **CMGC2 – 4 Projects are now complete and in close out.**
- **The Pueblo has received \$1.5 million from Senator Heinrich for the Acoma Business Park. Design of this park is now complete. Full project will run around \$35 million.**
- **NM124 Extension to NM117 has been partially funded thru the Transportation Project Fund which is our current #1 roadway priority. The Pueblo will collaborate with NMDOT Dist. 6 and has submitted an agreement and resolution for approval. The Pueblo is now waiting on an agreement to proceed from NMDOT Secretary Sandoval. It appears that unlike DOT Dist. 6 advice, the Pueblo will first have to execute design (funded at \$1 million) and cannot go directly to construction. This project is on hold due to archaeological sites.**
- **On call engineering services: RFP has been issued beginning January 2023 – selection process to take place in March, 2023. Three consulting agencies are now on board.**
- **SP302 is completing environmental assessment, and is in closeout for design with the BIA.**
- **Pueblo is seeking funding for design and full reconstruction of SP30 – Pueblo Road (10.6 miles).**
- **The Pueblo is working with DOT Dist. 6 to address drainage issues for the San Lorenzo Road (SP35); hoping DOT-6 will transfer this road to the Pueblo.**
- **The Pueblo has completed their update to their Long-Range Transportation Plan; the update is posted on Acoma’s Community Development Office website.**
- **The Pueblo is also updating their Transportation Safety Plan at this time. The Pueblo was awarded TTP Safety Program funding at \$10,000 for this update and \$475,000 for SP30 Pueblo Road east end safety redesign.**

- **Thru distributing a survey at the local Food Pantry, the Pueblo has achieved a 41% response rate from the public for both transportation plans!**
- **Mainstreet Project: The Pueblo will add several projects to the CMGC suite to include projects for housing and economic development.** Preparing amendments to conduct engineering studies, land surveys, geotechnical studies, drainage analysis, right of way surveys and proforma.
- **The Pueblo's Local Govt. Road Fund projects were finalized with NMDOT – will issue an RFP in the near future**
- **Acoma is seeking "Sky City Scenic Byway" funding, and will pursue Pueblo Council approval to pursue grant funding next year; as well as a Tribal Council resolution for tribal byway designation. Neala Krueger will inform NMDOT – Beth Foreman to provide byway funding contact information.**
- **The Pueblo would like to invite local, county and other tribal entities within the Pueblo region to consider partnering for construction project funding, as bundling projects saves money, as the Pueblo has learned from CMGC (Construction Management / General Contractor) funding.**

Pueblo of Zuni

- **The Pueblo is working on drainage improvements along the NM53 corridor mp 15.5 to 19.5 – creating culverts and ponds.**
- **The Pueblo submitted an application to update their Transportation Safety Plan; and was awarded funding to update their Tribal Transportation Safety Plan in 2022; and conduct an RSA on NM53 from mp 13.5 to 18. Notice of award was received late yesterday – Feb. 7.**
- **NMDOT Contract #CN6101091 – Meridian Contracting working on drainage issues and retention ponds; this includes installing concrete box culverts. Asphalt paving will continue when weather permits.**

New Mexico Department of Transportation Reports <i>(significant news only)</i>	RTPO Liaison (Neala Krueger) Tribal Liaison (Ron Shutiva) District 5 (James Mexia, Stephanie Medina) District 6 (JoAnn Garcia; Bill Santiago)
--	--

Multimodal Planning & Programs Bureau – Neala Krueger

- **Quality Assurance Reviews:** are forthcoming against a May 31 deadline
- **Transit & Rail Public Transportation Survey was issued in the March 3 Govt. to Govt. Update** – encouraging RTPO members to review and respond.
- **Upcoming news & funding:** FHWA Urban Area Boundaries, and USDOT Safe Streets for All funding is forthcoming
- **DOT Construction & Civil Rights Bureau reminds that ADA Transition Plans and Title VI Plans are due Sept., 15, 2023.**
- **DOT Statewide Public Transit Study will be held April 18 at the El Morro Event Center in Gallup – 6:30pm.**

NMDOT Tribal Liaison – Ron Shutiva

- Ron participated in Indian Day at the Legislature in Santa Fe on February 3.
- Ron is trying to meet with new tribal legislators and engage with DOT District staff.
- There is concern around litter and trash along I-40 intersection within the Pueblo of Laguna area.
- A corridor study is under consideration for I-40 from Arizona to Albuquerque – this will include consideration toward developing three lanes for this highway in each direction, given the truck freight traffic. **Virtual Public meeting will take place April 25 at 6:00 pm.**
- Ron continues to work on engaging tribes around state corridors and is seeking help from regional media.
- Justin Reese is the new Cabinet Secretary for NMDOT.
- There will be a session on I-40 improvements with NDOT.
- Ron recommends phasing projects due to increasing costs
- House Memorial 13 is executed for a study on the Ramah area Wolf Sanctuary Road for improvements.
- NM 118 drainage study request from Mark Freeland – Navajo Tribal Council.
- Iyanbito Chapter is requesting a bridge over the BNSF Rail Line. (Another consideration would be extending a paved road west to the Church Rock bridge – might cost less).
- Ron is considering setting up quarterly tribal meetings with the DOT Districts, with consideration toward priority tribal projects.
- Ron reminds members to submit monthly reports for their Capital Outlay and Tribal Infrastructure projects.

- **There are drainage concerns for Rt. 66 – adjacent to I-40 at the Ft. Wingate bridge.**
- Ron reminded members to pay attention to the “Buy America” guidelines. Our region did well for this round of TPF funds.
- Ron reminded members to stay on top of funding opportunities – with \$ billions forthcoming – remember to prepare for environmental requirements (which are time consuming) for this funding.
- **Shiprock Bridge replacement is being sought by Rep. Charles-Newton and under consideration with the Feds and Daryl Bradley from NDOT. Shiprock Chapter supports this project (but not critical at this time).**
- **Ron is now on the LTAP Board.**
- **Hoping to push for NM64 projects and NM491 north of Shiprock projects; along with the Hogback rockslide mitigation on US491.**
- **Concern that the NDOT is not involved with the NM I-40 studies.**
- **There’s a new Indian Highway Safety Grant out from the BIA.**
- Reminding members to keep on top of deadlines for ICIP, TIF, and LGRF.
- **Transportation Project Fund: better to phase then have a shortfall on funding for proposed projects.**
- A national broadband project is establishing a broadband corridor along I-40, and will involve tribal discussion with Pueblos of Laguna and Acoma and Navajo Nation.
- **Ron is encouraging tribal members to pursue bridge funding.**
- **Ron reminds tribal members to pursue support and related letters of support from state and national legislators.**
- NM118 drainage analysis project is finally in progress as the Navajo Council is working on agreements with the local governments in the region of the study between Churchrock and Iyanbito; **need coordination with NDOT.**
- Ron reported on the NM118 drainage analysis that took place between the Iyanbito and Ft. Wingate I-40 intersections at previous meetings. Ron indicated he feels that NM118 drainage issues remain unresolved to this day (in spite of two studies!) and the Navajo Nation DOT remains non-responsive!

NMDOT District 5 – James Mexia, **Amanda Nino**

- WHPacific is being contracted for a study on needed road and intersection improvements on US 64 – MP 0 – 20 (which includes the Shiprock School Zone). This project will be divided into two phases funded separately and referencing the District 5 HSIP plan for 2021 including a) primary / major Chapter or community intersections from Shiprock to the Arizona border and b) the Shiprock School Zone.
- The NM371 and N36 intersection near Northern Edge Casino is at 60% design; need ROW clearance / easement from NDOT.
- D-5 staff are managing project proposals for the 2021 Local Government Road Fund, and have received awards from the DOT General Office in Santa Fe for the next fiscal year.
- **Work is pending for NDOT Capital Outlay and N.O.O. – Please contact DOT District 5 SOON!!! Remember that Capital Outlay requires monthly report updates. Amanda encouraged RTPO members to provide Capital Outlay (CPMS) updates or the funding can be reverted.**
- **Watch out for funding deadlines! – Local Govt Road Fund agreements are due June 30 – close out previous projects by June 30, 2023. Get your Transportation Project Fund agreements in!**

NMDOT District 6 – **Bill Santiago**, Michael Neely, Clayton Garner

- **DOT District 6 Office is still under renovation – nonetheless, DOT 6 staff will resume full time office work starting January 1, 2023.**
- **With a lot of local govt. turnover including RTPO members, staff training may be needed to bring new staff with transportation focus up to speed.**
- **Bill reminded RTPO members that all NMDOT staff have new emails as: dot.nm.gov**
- **Bill reminded that MAP and LGRF agreements are due – amendments are due 60 days in advance!**
- **Clayton Garner echoed Amanda Nino’s comments from Dist. 5 encouraging RTPO members to undertake CPMS updates for Capital Outlay projects so as to retain their funding.**
- **Local Govt. Road Fund** – as Stephanie from District 5 mentioned, the 5 certifications are also required before LGRF projects are considered construction ready. Keep District 6 informed on progress – the time is now critical to request an extension amendment as previously funded LGRF cycle is in close out! Extension requests are due by October 31 (including a resolution)! **The new LGRF call for projects has a March 15 deadline.**

- **Bill Santiago encourages RTPO members to pay attention to application deadlines around forthcoming funding. Also, be aware of staff changes at NDOT, NMDOT, and local governments.**
- The **FY2023 Transportation Project Fund applications must include a supporting resolution.** DOT District 6 has provided a template. Request a match waiver ASAP – due end of September.
- **Get signed agreements to DOT Dist. 6 soon, including supporting resolutions.**
- **Keep DOT District 6 staff informed on progress for the Transportation Project Fund. 5 certifications takes time – try to get these executed during this Winter season so you are construction ready in the Spring!!**
- **Bill reminded RTPO members that the MAP funding proposals will be due soon.**
- Mike Neely is on board with NMDOT District 6 to assist the RTPO’s participating in the District 6 region – include Mr. Neely on all communication.
- Mr. Clayton Garner will fill JoAnn Garcia’s former position at the District. Reminding members to remind others that traffic safety is important in construction areas.
- Lisa Vega is now the Director for DOT District 6, as Larry Maynard has retired.
- For Local Government Road Fund projects – the District needs certifications for all projects – many RTPO members are not following LGRF guidance for project development and are trying to close out projects without having reported progress to the DOT or following what the program requires – this could jeopardize funding.

Reminder: NMDOT will have a new email: staff member@dot.nm.gov.
