# EDA AURO FY2017 – FY2023

## EDR Focus Areas

- **Education and outreach**, including reaching new communities, new regional and local leaders
- **Geographic Equity:** Develop (and fund) projects in areas where we need more investments
- **Raising University Center Program awareness** ahead of 2023 application process
- Transition from EDA database/grants.gov/grantsonline to **EDGE**
- **DR-4652 Mission Assignment:** Assigned as the Lead Field (Federal) Coordinator for the Economic Recovery Line of Effort; facilitating the State with short-term recovery and long-term economic resiliency
- **DR-4652 Disaster Funding:** Working with declared counties and communities with a “wish list” of projects for possible EDA funding.
