Public Comment Period

McKinley County Hazard Mitigation Plan (HMP) Update- Mutual Domestic Water Consumer Association (MDWCA) Annex

McKinley County HMP Update- MDWCA Annex:

- **Purpose:** McKinley County is developing an MDWCA Annex to the County HMP to identify hazards, assess risk, and prioritize mitigation actions that strengthen resilience and support eligibility for FEMA funding
- **Participating MDWCAs include:** Gamerco Water and Sanitation District, Northwest New Mexico Utility Authority, Yah-ta-Hey Water and Sanitation District, White Cliffs Mutual Domestic Water Users Association, Ramah Water and Sanitation District, and Whispering Cedars Mutual Domestic Water Users Association, with support from the McKinley County Office of Emergency Management and Northwest New Mexico Council of Governments.
- **Public Involvement:** Community members will have opportunities to review the draft Annex and provide feedback from October 26 to November 1, 2026.

Public Review Period – MDWCA Annex
