VI.	Present: UNM-LTAP Training – Intro. to Grant Writing part 2	Callie Thomason French – UNM LTAP
BACKGROUND		
<ul style="list-style-type: none"> • Why? With consideration toward COVID restrictions and safety for our members, staff have engaged UNM-LTAP to provide 30 minute to one hour trainings at our monthly virtual meetings • Purpose. While these may extend our meetings by a little bit, this is a safe way to engage training opportunities to increase the value of our meetings for our members. • Discussion/Finalization. Staff will engage our members to discuss potential training priorities for which we could engage UNM-LTAP at our meetings. 		
CURRENT WORK		
<ul style="list-style-type: none"> • UNM-LTAP staff will continue a 45 minute training on grant writing at this virtual meeting and include some discussion for our members training priorities. Staff are recommending maybe 2 – 3 trainings over a period of 12 months, based on member priorities. • Members will identify their training priorities, so staff can appropriately engage UNM-LTAP. 		
ANTICIPATED WORK		
<ul style="list-style-type: none"> • UNM-LTAP to provide 2 – 3 trainings over the next 9 – 12 months. 		
ATTACHMENTS		
<ul style="list-style-type: none"> • Training Options Index – staff sent the entire UNM-LTAP Training Catalogue to members via “cloud storage” (providing greater detail for each course) 		
BUDGET IMPACT		
<ul style="list-style-type: none"> • If some trainings include costs, staff will consider paying through our RTPO budget. 		
ACTION ITEM		
<ul style="list-style-type: none"> • N/A. 		

Discussion:

- **Part 1: At our last month’s meeting:** Ms. French covered the various sections of grant applications, and indicated that it’s critical to examine whether your application intent is eligible for the funding, and to specify the geographic area you are intending to address.
- UNM LTAP can provide info. to help gauge your eligibility
- Need significant justification for a competitive application – what will it accomplish
- “Means” – what will you engage and how
- “Ends” – what will the grant accomplish (why is this needed)
- In general be clear and brief in your descriptions
- **Computer shut down for about 5 minutes, so I missed some of the presentation.**
- Covered various sections of an application

Part 2 – Grant Writing:

- **This presentation cancelled until Nov. 9 meeting due to equipment technical problems at UNM-LTAP office.**

New news in bold

Pueblo of Acoma

- **The Mesa Hill Bridge project remains unfunded and ongoing as the #1 bridge project, but is fully designed and construction ready with support from NMDOT. The issue is just obtaining significant funding (around \$30 million) from USDOT with every round of major funding they provide. The Pueblo is updating the NEPA and again getting permission from land owners. Pueblo is working on the SP36 and SP30 connector roads to this bridge, along with a right of way map for the bridge. Pueblo is pursuing funding from the Bipartisan Infrastructure Law and other funding sources. This project is under environmental review at this time. SP30 – Pueblo Road LGRF Cooperative Agreement and Tribal Resolution have been signed by Pueblo leadership and sent to Bill Santiago at DOT District 6.**
- **The Pueblo has submitted applications to repair / replace San Fidel Creek bridge – M-123, and Acomita Lake bridge – M-124, on SP34 – Fatima Hill Road.**
- The Pueblo's TTIP (Tribal Transportation Improvement Program) is in process with Federal Highway Admin.
- CMGC2 – 4 Projects are now complete.
- Dennis Felipe is working toward a TTP Safety Project.
- **The Pueblo has received \$1.5 million from Senator Heinrich for the Acoma Business Park.**
- **NM124 Extension to NM117 has been partially funded thru the Transportation Project Fund which is our current #1 roadway priority. The Pueblo will collaborate with NMDOT Dist. 6 and has submitted an agreement and resolution for approval. The Pueblo is now waiting on an agreement to proceed from NMDOT Secretary Sandoval. It appears that unlike DOT Dist. 6 advice, the Pueblo will first have to execute design (funded at \$1 million) and cannot go directly to construction.**
- **Haaku Road – SP38 is a new priority for the Pueblo for design and reconstruction to improve the corridor to the Sky City Pueblo and Pueblo Museum and Visitor Center. The Pueblo submitted a request and was funded for \$2,900,000 for planning and design of Haaku road improvements from the FFY2023 NM Transportation Project Fund. SP38 TPF Cooperative Agreement and Tribal Resolution are in legal review – once approved and signed by Pueblo leadership these will be sent to Clayton Garner at DOT District 6.**
- **SP302 is completing environmental assessment**
- **Pueblo is seeking funding for full reconstruction of SP30 – Pueblo Road (10.6 miles).**
- **The Pueblo is working with DOT Dist. 6 to address drainage issues for the San Lorenzo Road (SP35).**
- **The Pueblo has completed their update to their Long-Range Transportation Plan; WH Pacific will do traffic analysis counts to contribute to the Pueblo's LRTP. To mitigate COVID 19 delays, the Pueblo has developed a survey for public input which is also available on Survey Monkey. A supporting resolution is ready for submission to FHWA.**
- **The Pueblo is also updating their Transportation Safety Plan at this time. Public involvement meetings are postponed due to COVID-19, which will delay completion dates for these plans; however, thru distributing a survey at the local Food Pantry, the Pueblo has achieved a 41% response rate from the public for both transportation plans!**

- Mainstreet Project: The Pueblo will add several projects to the CMGC suite to include projects for housing and economic development. Preparing amendments to conduct engineering studies, land surveys, geotechnical studies, drainage analysis, right of way surveys and proforma.
- **NM DOT Commission meeting on Sept. 15 in Acoma**
- **Acoma is seeking scenic byway funding, and will pursue Pueblo Council approval to pursue grant funding next year; Neala Krueger will inform NMDOT – Beth Foreman to provide byway funding contact information. The Pueblo is developing a supporting resolution at this time.**
- **The Pueblo would like to invite local, county and other tribal entities within the Pueblo region to consider partnering for construction project funding, as bundling projects saves money, as the Pueblo has learned from CMGC (Construction Management / General Contractor) funding.**

Pueblo of Zuni

- **The Pueblo is working on drainage improvements along the NM53 corridor mp 15.5 to 19.5 – creating culverts and ponds. The Pueblo will pursue a Road Safety Audit for NM53 mp 14 – 18.**
- **The Pueblo is submitting an application to update their Transportation Safety Plan.**
- **Major work around Monsoon flooding – hauling sand and sand bagging, clearing debris from drainage infrastructure, some Zuni homes have flood damage, some roads washed out; major road maintenance with heavy equipment.**
- **NMDOT Contract #CN6101091 – Meridian Contracting working on drainage issues and retention ponds; this includes installing concrete box culverts. Asphalt paving will continue when weather permits.**
- **Have received FHWA Tribal Transportation Program funding for FFY22. – Prepping for construction in FY23.**
- **Asphalt crack sealing work is ongoing along with mowing tall weeds.**
- **Will be seeking quotes for highway traffic striping.**
- The Pueblo is under lock down with little administrative activity due to COVID-19 pandemic; the Pueblo has extended re-opening until sometime in the future, depending on how long COVID-19 persists.
- Bid packages for Shiwi Ts’ana Elementary School access and Z301 / NM53 intersection improvements were opened July 12 – with one bid submitted. Notice of award offered to Albuquerque Sparling Construction company for both projects combined.
- Zuni purchased a dump truck with FHWA Coronavirus funds.
- The Pueblo is looking to purchase a backup generator for the Andrew Othole Memorial Airport.
- **Zuni Transportation Dept. submitted documents to the Governors Office to fund two historical and cultural sites of significance with related road improvement projects.**
- US Dept. of Treasury set aside \$20 billion for Native American Tribes under American Rescue Plan. Zuni received it’s first distribution – Road Dept. will submit road improvement project that leads to significant historical site for tourism
- Road maintenance projects continue related to flooding around the Pueblo.
- Royce is now also the Airport Manager. Receipt of FAA grant agreement for developing an Airport Master Plan for the Andrew Othole Memorial (AOM) Airport. The master plan will be developed by the Pueblo’s airport consultant – Armstrong Consultant’s, Inc.
- Erin Kenley, TTP Director and Brian Allen, TTP Fields Operation Manager – both from the Office of Tribal Transportation visited Zuni on August 10 and met with the Governor and Tribal Council on a number of issues. Discussed the tribal self-governance program within the US DOT and FHWA.
- The Pueblo continues to update its long-range transportation plan. The plan is now in final draft form and being put out on the Pueblo website and Facebook for public comment. The draft plan is awaiting recommendations for next steps on how to present to the public.
- The pedestrian trail project plan is now 100% complete – will move forward for FHWA approval.
- On-call A/E consultants are working on designs for Ruins Road, North/South Sandy Springs Road, Harker Circle, the intersection of Ojo Caliente/Pia Mesa and pedestrian trails. Ruins Road is now at 95% completion.
- Ongoing road maintenance around the Pueblo. This includes crews addressing mowing, culvert repairs, blading gravel or dirt roads, asphalt pothole repairs and vegetation control.
- Virtual Presentation meeting with NMDOT and WHPacific on the NM53 Drainage project being designed by by WHPacific to make improvements from MP15.5 to 19, due to undersized culvert pipes and overtopping of flood waters on NM53 (also Zuni Mainstreet). First meeting was held on October 7.
- There are demolition projects in the Pueblo for the Lemon Tree/Zuni Laundromat building and the old Zuni Water Dept. building.

- The Pueblo is undertaking construction of an RV Park.
- The Pueblo has worked with Ashiwi Transit and Gallup Express to extend transit service to the Ramah Navajo area.
- The Pueblo has engaged contractual on call engineering services for future transportation development.
- The Ashiwi transit system received a national award at the 2019 National RTAP (*Rural Transportation Assistance Program*) conference. **Ashiwi Transit received another award plaque for their service during the COVID pandemic.**
- Ashiwi Transit will resume when all safety precautionary measures have been installed on the transit vehicles. Local and Gallup services will resume on a limited basis, but only on demand or appointments. Extension to Ramah / Pinehill is temporarily on hold until further notice around COVID-19 concerns. Ashiwi Transit is now back in service.

RTPO Liaison (Neala Krueger)
Tribal Liaison (Ron Shutiva)
District 5 (James Mexia, Stephanie Medina)
District 6 (JoAnn Garcia; Bill Santiago)

Multimodal Planning & Programs Bureau – Neala Krueger

- The **FFY23/24 Regional Work Program** (RWP) is pending FHWA approval. NMDOT will send a Notice to Proceed (NTP) for the RWP by Oct 1.
- The NWNMCOG SPR Grant agreements for the **Milan Comprehensive Transportation Safety Action Plan** and **McKinley County Transportation Master Plan** are pending. Once NMDOT has a fully executed agreement, we will proceed with obligating the funds. NWNMCOG cannot begin work until NMDOT sends a Notice to Proceed (NTP) for the projects.
- **NMDOT Freight Advisory Committee Meeting**
The third meeting of the Freight Advisory Committee is Thursday, September 22, 2022 from 1:30 pm to 3:00 pm. The Freight Advisory Committee include representatives of a cross-section of public and private sector freight stakeholders and participates in the development of the State Freight Plan. If you haven't received an invitation and are interested in participating, please contact Joseph Moriarty, Technical & Freight Planning Supervisor at @state.nm.us. More information about the 2045 New Mexico Freight Plan Update can be found here: <https://www.2045nmfreightplan.com/>
- **Updated Functional Classification Guide Draft**
Per the 7/25 Govt to Govt email from Shannon Glendenning, the NMDOT Technical & Freight Planning Team updated the Functional Classification Guide for 2022. It is posted to the NMDOT website. If you have questions contact Tyler Roller, Roadway Classifications Manager at Tyler.roller@state.nm.us.

NMDOT Tribal Liaison – Ron Shutiva

- **Encouraged RTPO members to participate in the Build America Bureau meeting today.**

- **A corridor study is under consideration for I-40 from Arizona to Albuquerque – this will include consideration toward developing three lanes for this highway in each direction, given the truck freight traffic.**
- **Ron continues to work on engaging tribes around state corridors and is seeking help from regional media.**
- **Justin Reese is the new Cabinet Secretary for NMDOT.**
- NM 118 drainage study request from Mark Freeland – Navajo Tribal Council.
- **Iyanbito Chapter is requesting a bridge over the BNSF Rail Line. (Another consideration would be extending a paved road west to the Church Rock bridge – might cost less).**
- **Ron is considering setting up quarterly tribal meetings with the DOT Districts, with consideration toward priority tribal projects.**
- Ron indicated that the 2021 Transportation Project Fund awarded a total of \$41 million to tribal entities statewide. Ron reminded members to pay attention to the “Buy America” guidelines. Our region did well for this round of TPF funds.
- Ron reminded members to stay on top of funding opportunities – with \$ billions forthcoming – remember to prepare for environmental requirements (which are time consuming) for this funding.
- Ron asked how the Navajo RSA’s are coming along with the 2018 **LGTPF deadline of June 30, 2022** coming up – for Twin Lakes, Mexican Springs, and Tohatchi Chapters. Mike Neely and Priscilla Lee are seeking additional funding to commence.
- **Ron is now on the LTAP Board.**
- **There’s a new Indian Highway Safety Grant out from the BIA.**
- Reminding members to keep on top of deadlines for ICIP, TIF, and LGRF.
- **Transportation Project Fund: better to phase then have a shortfall on funding for proposed projects.**
- A national broadband project is establishing a broadband corridor along I-40, and will involve tribal discussion with Pueblos of Laguna and Acoma and Navajo Nation.
- **Ron is encouraging tribal members to pursue bridge funding.**
- **Ron reminds tribal members to pursue support and related letters of support from state and national legislators.**
- NM118 drainage analysis project is finally in progress as the Navajo Council is working on agreements with the local governments in the region of the study between Churchrock and Iyanbito; **need coordination with NDOT.**
- Ron reported on the NM118 drainage analysis that took place between the Iyanbito and Ft. Wingate I-40 intersections at previous meetings. Ron indicated he feels that NM118 drainage issues remain unresolved to this day (in spite of two studies!) and the Navajo Nation DOT remains non-responsive!

NMDOT District 5 – James Mexia, Amanda Nino

- WHPacific is being contracted for a study on needed road and intersection improvements on US 64 – MP 0 – 20 (which includes the Shiprock School Zone). This project will be divided into two phases funded separately and referencing the District 5 HSIP plan for 2021 including a) primary / major Chapter or community intersections from Shiprock to the Arizona border and b) the Shiprock School Zone.
- The NM371 and N36 intersection near Northern Edge Casino is at 60% design; need ROW clearance / easement from NDOT.
- D-5 staff are managing project proposals for the 2021 Local Government Road Fund, and have received awards from the DOT General Office in Santa Fe for the next fiscal year.
- **Work is pending for NDOT Capital Outlay and N.O.O. – Please contact DOT District 5 SOON!!!**

NMDOT District 6 – Bill Santiago, Michael Neely, Clayton Garner

- **With a lot of local govt. turnover including RTPD members, staff training may be needed to bring new staff with transportation focus up to speed.**
- **Local Govt. Road Fund** – as Stephanie from District 5 mentioned, the 5 certifications are also required before LGRF projects are considered construction ready. **Keep District 6 informed on progress – the time is now critical to request an extension amendment as previously funded LGRF cycle is in close out! Extension requests are due by October 31 (including a resolution)!**
- **The FY2023 Transportation Project Fund applications must include a supporting resolution.** DOT District 6 has provided a template. Request a match waiver ASAP – due end of September.
- **Get signed agreements to DOT Dist. 6 soon, including supporting resolutions.**

- **CPMS – Capital Outlay Reports are due August 15. Need Capital Outlay agreements as well.**
- **Keep DOT District 6 staff informed on progress for the Transportation Project Fund. 5 certifications takes time – try to get these executed during this Winter season so you are construction ready in the Spring!! TPF projects from 2019 are due for completion by June 30, 2022 – time to request an extension if this does not look possible!!!**
- **New functional classification information was sent out July 25.**
- Bill reminded RTPO members that the MAP funding deadline is June 30, 2022.
- Mike Neely is on board with NMDOT District 6 to assist the RTPO's participating in the District 6 region – include Mr. Neely on all communication. Mike reminded that for TPF funds, projects must have design before they can move to construction
- Mike Neely reminded that the NMDOT fiscal year is almost over – **Have until June 17 to encumber funding!** Mike also reminded that the deadline for reimbursements is coming soon, and Capital Outlay reports are due soon!
- Mr. Clayton Garner will fill JoAnn Garcia's former position at the District. Reminding members to remind others that traffic safety is important in construction areas.
- Lisa Vega is now the Director for DOT District 6, as Larry Maynard has retired.
- For Local Government Road Fund projects – the District needs certifications for all projects – many RTPO members are not following LGRF guidance for project development and are trying to close out projects without having reported progress to the DOT or following what the program requires – this could jeopardize funding, and DOT District 6 urges follow up with their staff. Have contractors apply to be on the State list as pre-qualified contractors. Using a non-state-qualified contractor could also jeopardize project funding!

Mike Neely: NMDOT will have a new email: staff member@DOT.NM.Gov.
